Phone: +91 9416524058 | Email: dhruvdhiman1952003@gmail.com

Summary

I am a dedicated computer science student currently pursuing an MCA and holding a BCA, with a passion for software development and web technologies. I excel in creating user-centered digital solutions, having developed multiple platforms including travel guides and e-learning systems. With strong skills in HTML, CSS, JavaScript, and React, I aim to innovate and enhance user experiences across projects

Projects

Travel Ease Tourist Guide Website — **August 2023- November 2023**

- Aimed to revolutionize travel by offering a user-friendly guide for seamless exploration and navigation
- Built a comprehensive travel platform using HTML, CSS, JavaScript, PHP, and MySQL to simplify trip planning and enhance the travel experience.

E-Learning Platform — **February 2024 - May 2024**

- Developed a user-centric platform for students and professionals, integrating real-time feedback and adaptive learning features
- Designed and implemented an interactive platform using HTML, CSS, JavaScript, React.js, Next.js, and MongoDB to facilitate online learning and resource sharing.

Responsive Website — **August 2025 - August 2025**

- Developed a fully responsive website using React and Tailwind CSS
- Implementing modern UI/UX principles with reusable components and mobile-first design

Multi-Vendor E-Commerce App **August 2025 – September 2025**

- Built and deployed a full-stack multi-vendor e-commerce website using Next.js (React.js + Node.js) with PostgreSQL database, enabling store creation, admin management.

Extracurricular Activities and Responsibilities

- Core team member of the National Service Scheme (NSS).
- Contributed as a member of the Branding Team, enhancing community outreach and event promotion.

National Service Scheme (NSS) — January 2021 – April 2021

- Conducted surveys and quantitative analysis to address village cleanliness issues.
- Organized 3 community camps involving 200+ students and 3 village participations, promoting social responsibility.
- Managed a free medical check-up camp, facilitating healthcare access for underprivileged communities.
